

Dr Alexander Wong, Ph.D.

Head of Laboratory Diagnostics & Point-of-Care
Siemens Healthineers, Singapore

Dr Alexander Wong, Ph.D. is currently the Head of Laboratory Diagnostics & Point-of-Care at Siemens Healthineers, Singapore. He also serves on the Asia Pacific Federation for Clinical Biochemistry and Laboratory Medicine (APFCB) Executive Board as the Corporate Representative.

Alexander previously held responsibilities of scientific affairs and regional marketing at Siemens, where he was a frequent speaker at conferences across Asia-Pacific. Before joining Siemens, he was with the Agency for Science, Technology and Research (A*STAR) in Singapore, where he focused on research management and technology transfer for the diagnostics and life sciences industries.

Alexander holds a Ph.D. in Infectious Diseases from Imperial College London, UK.
