APFCB Masterclass in Interpretative Commenting

Topic: Anemia

1.30pm IN/ 3pm TH/ 4pm SG/ 5pm KR/
6pm Sydney

In this webinar series on Interpretative Commenting, chemical pathology experts will discuss how to interpret laboratory test results, and add useful comments to the lab report, using only the minimal information available to the clinical laboratory.

Back by popular demand! Prof. Ken Sikaris, our guest speaker for April, will discuss the laboratory tests used for the diagnosis and investigation of anemia.

CERTIFICATE OF ATTENDANCE WILL BE AVAILABLE TO ALL PARTICIPANTS

*Please note that Safari browser is not supported for this event. On the day of the webinar, if you are using an iPhone or Apple computer, please use a different browser such as Firefox or Chrome, or download the Microsoft Teams App. Much apologies for the inconvenience.
